4. When you click on Student you will see a box like Fig. 4. You only need to fill in the TEXT CODE in the bottom box, ignore name and email address on top. This code will be provided to you as part of the webinar (it changes all the time so difficult to give in advance – it will be a six-digit code, something like LEXIZS – it doesn't matter if you use capitals or not when filling in the code)

Note from Fig. 14 below that a red bar appears on top when recording and you have up to 5 min of recording time. Click done when completed or follow the re-record button in the centre of picture if you wish to have another go, then click Done and Correct mark.
