TOY THEATER Add/Sub Game

The screenshot shows the interface for the 'Toy Theater Add/Sub Game'. At the top, there is a navigation bar with the 'TOY THEATER' logo (a character with orange hair and the tagline 'LEARN • CREATE • PLAY') and seven colored buttons: MATH (blue), READ (red), ART (green), MUSIC (pink), PUZZLE (yellow), GAME (purple), and TEACHER TOOLS (orange). The main game area has a blue background with a white horizontal line representing a race track. A yellow kayak is positioned on the track, and two red flags mark the start and end points. In the center of the screen is a white rounded square button with a black border that says 'Start Level I'. Below the track is a number line from 0 to 10. Above each number is a grey rock icon. A yellow kayak is positioned on the number line at the number 8. At the bottom of the screen, the text reads: 'The other kayak won. SELECT "START" TO TRY AGAIN.'
